## Porcelain Memorial Portraits

Since introducing our original Premium double-coated porcelain on steel portraits to the industry in 1991, Paradise Pictures has led the way in quality and innovation. Starting in 2026, we're expanding our products with a new line of 100% porcelain portraits.

Both lines are permanent and crafted with advanced, fade-proof technologies. The primary difference lies in the base material, while each portrait receives the same *Paradise touch*—from order placement and customer service to U.S. manufacturing and delivery.

As with all of our products, your satisfaction is 100% guaranteed, and any portrait damaged in the cemetery will be replaced free of charge. Anytime.

## Special Procedures
